From the Section 1515 Leadership Team, Hello to South Florida ASQ Members!

I will briefly acknowledge events occurring since the last *Variant* Newsletter. On May 19, Guillermo Rodriguez hosted an event at **Office Depot** headquarters. The subject of the presentation was Supplier Quality. We had "7" speakers, all personally involved in Office Depot's world-wide supplier relationships. And on June 4, we had a presentation from Fatime Yaldiz and Zachary Guertin on FMEA and the new Process Improvement model being adopted by **Ritz-Carlton** Corporation. Both events were very informative and entertaining. More about these presentations will be reported in the next full edition of the *Variant*. This year, we completed 12 events! And in a difficult economic time, our membership did not decrease! Overall, it was a very busy and rewarding year.

Contact me if you have, or know of anyone, having a presentation looking for meeting!! Section 1515 wants to promote local **Best Practices**. We also promote having on-site presentations with tours.

Section 1515 wishes all an enjoyable summer season, and we look forward to your participation with us next year.

Please visit our website at www.asqpalmbeach.org to receive information about section 1515 during the summer months. We will keep you updated with news on events planned and information about the section. We are here to serve you!!

Jay Stahan, on behalf of the Section 1515 Leadership Team
